The "leg" will not be restarted, this also relates to scoreboards with a recall facility. Similarly mistakes made on the chalk board may only be rectified within two scores being recorded on the side of the error - otherwise the mistake will remain and the player must "play the score on the board".

3c. All marking boards must be either facing, or adjacent to the player at all times, I.E. no marking boards which are behind the oche will be permitted to be used for any league matches.

3d. It is accepted that all throwing distances are from the back of the oche, consequently any infringement of this I.E. players standing "over the oche" may be liable to a call of no throw. However only the checker or team captains are eligible to call this. For the first infringement there must be a warning given, any subsequent standing over the oche will result in a "no score". This applies to every dart thrown.

8b. A £5.00 fine will be imposed to any side who do not have a representative present at any league meeting - N.B. Sides may only be represented by persons who have played for them.

8c. Any fines imposed by the league must be paid immediately or the league will not permit the offending side to play any further matches while the fine is outstanding. If the fine still has not been received by the treasurer before the following third match (as per fixture lists) the side concerned will be expelled from the league forthwith.

9b. Any teams that have tied at the end of the season will "play off" at a neutral venue on a date and in a manner designated by the league secretary.

10. Players do not need to register but can only play for one team during the season. I.E. there will be no transferring of any player from one team to another. Any person found to have played for more than one team will be barred from playing in the league for the remainder of the season, also the second and subsequent teams for which that person plays - will be deducted 3 points for every game he/she played.

11. In the event of any team wishing to rearrange a match a minimum of 48 hours notice will be required. Both sides must agree to the rearrangement and the league secretary must be informed before the original match date. 13. Any protests must be in writing, signed and received by the secretary no later than the Thursday after the incident occurred.

14. It is the captain's responsibility to inform his/her players of dates and venues for competitions - consequently any captain found to not be doing this will be banned from playing in the league for 4 games.

15. Any player(s) found to be playing friendly matches or for another league on competition nights will be expelled automatically from the league forthwith and will forfeit all trophies won in the league previous to their expulsion. Similarly any player found to be playing for another league on any Friday night during the league season.

16. No trophies will be awarded to any teams with fines outstanding at season's end.
